UPCON "9th IEEE UP Section International Conference on Electrical, Electronics and Computer Engineering" is top level International Conference covering broad topics in the areas of Electrical, Computer and Electronics Engineering and Technology. This conference to be held annually at different locations in Uttar Pradesh (UP), will provide an excellent platform to the researchers to present their research work and is known as the UP section's flagship conference. The conference is technically and financially sponsored by IEEE UP Section. There are multiple tracks (12 tracks) in the conference covering almost all areas of Electronics, Computer & Electrical Engineering.

Every track has the following main components:

- a) Paper presentations and best paper awards for each track
- b) Poster presentations and best poster awards for each track
- c) Key Note Lectures
- d) Panel Discussions and
- e) Awards for best three PhD Theses

Through these components, this conference covers a broad range of participants and audience.
